Profile

Seeking an entry level position where I can leverage my educational background in computer engineering and my proficiency in Python programming to contribute effectively to software development projects. Passionate about coding, problem-solving, and collaborating with teams to build efficient and scalable solutions.

Experience

PYTHON DEVELOPER -INTERNSHIP | INTELLECT INFOTRADE PVT. LTD. Oct- 2024 -present

- Developed and maintained features for a CRM software (SKYCRM), including integrating calling software to enhance client communication capabilities.
- Integrated APIs for sending and receiving WhatsApp messages and documents, improving customer engagement and streamlining communication processes.
- Contributed to the development and maintenance of Arc software (Finiyu), ensuring its functionality, bug fixes, and performance improvements.

Project

GROCERY SHOPPING WEBSITE USING DJANGO:

- Developed the responsive, user-friendly website using Bootstrap, Django, html, css and JavaScript.
- Integrated Django's authentication system for secure user login, registration, and password management.
- Designed and structured the back-end with Django to handle user authentication, product listings, cart management, and order processing.
- Implemented a secure and intuitive checkout process that includes address input, and payment. Integrated Razorpay payment gateway for secure online payments, allowing users to make payments via credit/debit cards, UPI, and wallets.

BLOG WEBSITE USING DJANGO:

- User Authentication: Implemented user registration and login functionality using Django's built-in authentication system.
- CRUD Operations: Enabled users to create, edit, and delete blog posts that they authored, ensuring that only the post creators can modify or remove their content.
- Database Management: Utilized Django's ORM to handle database interactions for storing user data and blog content.

Education

BACHELOR OF ENGINEERING (BE) IN COMPUTER ENGINEERING | RAJENDRA MANE COLLEGE OF ENGINEERING AND TECHNOLOGY, 2019 - 2023 | CGPA 7.58.
PYTHON DEVELOPMENT FROM QUASTECH TECHNICAL INSTITUTE.

Skills & Abilities

- **Programming language** : Python, JavaScript
- **Web Technologies** : HTML , CSS , Bootstrap
- **Database Management** : MySQL, SQLite
- **Web Framework** : Django, Django Rest Framework, React JS
- **Version Control** : Git, GitHub
